Nurse Home Visitor Job Description

About Us

Created in 2001 by The Robert Wood Johnson Foundation, Children's Futures works across Central Jersey to ensure that all children and families get off to a healthy start in life. At our core, we aim to increase opportunities for health and wellness and to ward off health and social problems that can lead to a lifetime of illness and dependency.

Children's Futures is a 501(c)(3) nonprofit organization with a mission to improve health and development outcomes for children and their families. To achieve our mission, we collaborate with schools, social service providers, healthcare agencies, faith institutions, civic associations, employers, and others to implement school-readiness and success strategies that have the greatest positive impact on children's immediate health needs and long-term development.

We are seeking a Nurse Home Visitor to join our dedicated team to serve first-time mothers enrolled in the Children's Futures Nurse-Family Partnership program.

Responsibilities:

- Provide comprehensive nursing services to women and their families.
- Conduct home visits with clients, including travel within the Mercer County region.
- Carry a caseload of 25–30 clients.
- Assess the physical, emotional, social, and environmental needs of women and their families.
- Follow nursing processes and procedures.
- Maintain confidentiality and document accurately.
- Develop therapeutic relationships with women and their families.

**Fulfilling a Promise,
Making it Possible.**

- Provide education, support, and referral resources to assist women and their families in attaining their targeted goals.
- Evaluate client progress toward stated goals and NFP outcomes.
